

Project 1: Weebly Website Design

This will be an ongoing project throughout the course. If you are finished with a different assignment or project, you can work on your website.

1. Go onto www.weebly.com
2. Type in your Full Name
3. Type in your email address. If you do NOT have an email address: Type this email-
firstname@comparts.com
(this is your log in. this does NOT have to be a working email.)
4. password- use your student ID number so you will remember!
5. Choose a theme
6. Choose your web domain: choose the first option (use a subdomain of weebly.com)
7. Type in **LastNamePortfolio**
8. Continue
9. It will show you a video. Hit Build my site if you don't want to watch.
10. Follow the tutorial to add pages, change the theme, start building.

Start creating more pages on your site. You should have these pages:

1. Home Page-

Just add a welcome or something simple on your home page.

2. "About Me" page -

remember, do not give personal information out!!!! This is online. Never add anything too personal!!!!

3. Comp Arts

Make a page for your comp arts work

4. Blog

We will be using the blog to communicate with each other online. You can make an introductory post talking about this site and why you have made it.

PUBLISH

To "save" your site, you must hit PUBLISH.
